Notes:

July Monthly treatment of 1st floor apts baited with Advion roach bait and baseboards treated. Unit 6 still has some roach activity but alot better. I need the rest of the left furniture and food items to be removed to speed up the process as soon as possible. Hallways treated and basement. After 2 more visits the roaches should be under control in the building. Units 18 23 24 25 and 28 also treated no active roach activity observed.
